Dear All

The eleventh Cambridge Real Tennis Weekend will take place at CURTC on the **14th May 2016**. It will again be an ideal occasion for supporters of Cambridge Real Tennis and University Alumni to renew and strengthen their connections with the Club. As before, there will be a handicap doubles tournament for you to participate in but no formal dinner in the evening.

### The Handicap Doubles Tournament:

Tournament play will occur on the Saturday only. Pairs will be placed into one of two divisions. Doubles is usually more enjoyable when partners are of a similar standard, so we would ask you to organise your pairing with this in mind. Alternatively, you may request that a suitable partner is found for you. The initial round robin stage of the tournament will involve groups of three pairs. Each pair will play a set (first to eight games) against the other two pairs in their group. The winners will go through to the knock-out stage of the tournament.

In the evening, there will be a relaxed meal at local hostelry for participants and their partners (the Club Dinner for 2016 having been replaced the 150th Anniversary Celebrations).

### Calendar of events

#### Saturday 14th

**8:00am** Play commences in the Division 1 and Division 2 Doubles Tournaments

**2:00pm** The Knock-out stage of the Division 1 and Division 2 Doubles Tournaments commence

**6:30pm** Play ends for the day

**7:00pm** Meal at a local pub, venue to be determined.

To enter the Handicap Doubles Tournament or to reserve a place for the meal, please complete the attached form and return it to Kees Ludekens, at the address stated above before the closing date of **7th May 2016**.
